Our Detroit schools serve a student population that has endured high levels of trauma, is nearly 20% special education, and of which 97% qualify for free-and-reduced lunch. All students are capable of academic and life success, but students with the highest needs require the highest quality support and intervention to catalyze their growth. You can make an impact on students in Detroit and across Southeast Michigan by supporting EQUITY's First Annual Blue Q Golf Classic!

With this letter we are asking for your support; please consider joining the tournament as a player, donating an item(s) for the auction, or a Golf Sponsorship. For your donation, you will get recognition in this year's golf program, as well as the sponsorship package listed on the sponsorship opportunities form.

The services provided by EQUITY Education help provide choice and access to students who are traditionally underserved and underserved. Through your donation, participation and support we can work together to strengthen opportunities to students across Southeast Michigan.
